They are experiences to remember for a lifetime. The tours are specially designed with expert guidance and time to experience each place. Well Within, since 1982, has sponsored & conducted nearly 100 exciting workshops, conferences, weekend retreats in holistic health & metaphysical concepts & well over 100 incredible international tours to these mysterious & sacred sites as well as alternative healing centers. Well Within has conducted the above in California, Colorado, Hawaii, England, Scotland, Wales, Cornwall, Ireland, Switzerland, Germany, Greece, Sweden, France, Norway, Egypt & Bali.

Sheri Nakken, former R.N., M.A., is Director & Creator of Well Within & Earth Mysteries & Sacred Site Tours. She has a great passion for mythology, legend, ancient practices & ancient sites where clues are found as to why we are here on this planet & other realms that are present to assist us. By visiting these incredible sites, ancient memories and teachings can be tapped into consciously and unconsciously to assist us on our journey. Through these studies as well as alternative healing therapies & metaphysics, healing can occur for person & planet.

Workshop Descriptions

(included but optional)

Homeopathic Medicine - Homeopathic Medicine is widely practiced in Greece, Great Britain, India, France, Germany & many other places and is starting to be more known in the U.S. In homeopathy the individual is treated, not the disease, using minute, non-toxic doses of plant, mineral, or animal substances. These substances stimulate the body's own natural healing energies and are very easy to use.

The Healing Use of Water Therapies in the World & European Spas -- We will explore the use of water as therapy in Europe as well as other parts of the world. In Europe it is used preventively as well as prescribed by physicians for treatment of a variety of disorders. It also is covered by many insurances. We will discuss the different types of therapies.

They are not your ordinary, large group tours, being herded into buses with little time to experience the places we visit. There is always the option of being with the group or being on your own. We want your tour to be a trip of a lifetime, a transformative adventure.
