Tentative Itinerary

Day 1 - Arrive in Rennes airport via Charles de Gaulle airport in France and transfer by minibus to Quiberon in Brittany, on the coast. We will stay the Hotel Albatros, right on the sea, for the next 6 nights, letting the sound of the waves lull us to sleep at night! Quiberon is in area of **Carnac** with its thousands of standing stones.

Days 2, 3, 4, 5 - While here we will experience the breathtaking **Alignments du Menec, Kermario & Kerlescan at Carnac** - a site possibly at least 10,000 years old with more than 1000 standing stones, some over 10 ft tall; the Giant of Manio (the tallest stone); the **Quadrilateral stone formation**; the **Eredeven alignments**; the **Locmariaquer Megalithic Group** (Stone formations) & the **Gulf of Morbihan** with the magnificent **Gavrinis ancient earth mound & Circles of Er Lannic**. Gavrinis is a mound on an island in Gulf of Morbihan - best carvings in the Carnac-Locmariaquer area. 23 of the 29 upright passage and chamber stones are carved, as well as the chamber capstone. Most of the stones are decorated with swirls (look like fingerprints) and most have been smoothed before carved.

Circles of Er Lannic are on an island south of Gavr'Inis in Gulf of Morbihan - 2 tangential circles; 28 stones in north circle, 32 in south circle; stones 2-5 meters high. Half of north circle and all of south circle are submerged; evidence that sea level has risen and Gulf flooded since circles were built. Throughout the tour we will explore the Celts; the Goddess throughout history; Arthurian legends; mythology; earth mysteries and more.

Day 6 - Free day here in Quiberon on the sea.

Optional Extras - travel by boat for day trip to nearby **Belle Ile**, an island that is like a miniature Brittany. 2 of my group traveled there on my last tour and loved it. Can get a guided bus tour of the island when there. **Time for walking, bike riding, exploring, shopping.** **Thalassotherapy** also available nearby at extra cost. Thalassotherapy re-

fers to the medical use of sea and seawater products to enhance overall health. Hot water is combined with the highly concentrated mineral elements of seawater and seaweed to dilate the pores and blood vessels allowing the skin to be more receptive to the active ingredients contained in seawater and seawater products. It is available in a variety of different formats including massage with oils, seawater baths, seaweed wraps and marine balls which have a range of effects from nourishing the skin and reducing cellulite to detoxifying and relieving aches and stimulating breathing.

Day 7 - Leave this area and to **Pierres Droits - Monteneuf Standing Stone Site** - The true extent of these stones was only discovered in the last 20 years or so after a forest fire, yet this set of aligned menhirs is probably one of the most important in France. Then travel on to **Mont St. Michel**. Over-night 1 night in the area. See the beautiful mount lit up at night.

Day 8 - Mont St. Michel is a magnificent church on an incredible site - a small rocky island in a shallow tidal bay. In the early eighth century, the Archangel Michael appeared to Bishop Aubert of Avranches, who started an oratory. In 966, a Benedictine monastery was established. In 1020, Richard II began the Abbey Church, and supported Abbot Hildebert's construction efforts.

Mont St. Michel, a rocky, cone-shaped islet in northwestern France, in the Gulf of Saint-Malo, is connected by a causeway with the mainland. The islet also has small houses and shops on its lowest level. Above these stand the monastic buildings, many of which date from the 13th century and are considered outstanding examples of Gothic architecture. The entire islet is crowned by the abbey church, about 73 m (about 240 ft) above sea level. Several energy lines pass through the mount and the church. Optional tours of site (extra), while there. Travel mid afternoon to Chartres

Day 9 - Visit Chartres and the magnificent Chartres Cathedral.

This is one of the most magnificent cathedrals in the world & is a symphony of sacred geometry. The cathedral is built on a Druidic & Pagan Site - an incredible high energy site filled with mystery. Chartres Cathedral marks the high point of French Gothic art. The vast nave, the porches are adorned with fine sculptures from the middle of the 12th century, and the magnificent 12th- and 13th-century stained-glass windows, all in remarkable condition, combine to make it a masterpiece. We will visit the Underground grotto - The Black Madonna is found (copy of original burned during the revolution) under the large Chartres Cathedral. The Underground chamber where the Black Virgin stands is reputed to be an ancient temple of the Great Goddess. Chartres itself is also said to be the capital of the ancient Druid world. Also we will see the Labyrinth in floor, stained glass windows, ley lines, massive crypt & well. The Labyrinth is free of chairs, that usually cover it, on Fridays - the day we visit is a Friday.

we visit is a Friday.

Day 10 - Continued time in Chartres and later afternoon travel to airport (which airport to be determined for flights home on Day 11 or continue on with time in Paris or elsewhere on your own or participate in our other France tour which follows.

Who Are These Tours Designed For?

These tours are designed for women as well as men; young or not so young; people interested in the mystery and sacredness of life, with a desire to know and understand more of where we've come from to assist us in where we are going and making a difference on the planet. We also explore some of the latest information out there that you may have never heard before. If you have a curiosity about mythology, sacred sites, other cultures, and a sense of adventure and want to travel with like-minded people in small intimate groups with a nice balance of workshop time, site time as well as free, independent time, these tours are designed for you. They are not your ordinary, large group tours, being herded into buses with little time to experience the energy of the site. We allow special extra time at sacred sites and there is always the option of being with the group or being on your own. Also, meals are usually not included, except breakfasts, to allow you to explore on your own at meal time or eat with the group.

We want your tour to be a trip of a lifetime, a transformative adventure.
